

**THE SUPERIOR COURT OF THE STATE OF CALIFORNIA  
IN AND FOR THE COUNTY OF LASSEN**

**GENERAL ORDER  
2022-12**

**JUVENILE DOCUMENTS SUBMITTED FOR FILING**

The court hereby rescinds General Order 2013-01 and replaces it with General Order 2022-12 as follows:

The court has implemented a new case management system that can accommodate the filing of one Juvenile Dependency case for multiple children who are all full siblings. When a new Juvenile Dependency case is initiated, the petitioner shall include all full siblings in one petition, and the case will be assigned one case number.

For all documents filed in the case, one original shall be provided to the court, and the submitting party may submit the necessary number of copies to endorse to serve all parties. The court will only maintain one case file, so there is no longer any need for an original document to be filed for each child in the case.

For all documents filed in the case, all copies of the original document, including attachments, all copies to be endorsed or copies served on counsel must be identical. All reports shall be reviewed by the submitting party prior to filing to ensure the forms for proposed findings and orders are correctly assembled and attached to the report and identical copies are submitted to the court for filing.
