GENERAL ORDER 2017-05**

JUDICIAL SCHEDULES

The Court Executive Officer is designated as the responsible party for recording judicial officer vacations. The Court Executive Officer shall inform the Presiding Judge of any vacation conflicts or scheduled vacations that are inconsistent with the orderly operation of the court.

A day of vacation for a judge of the Superior Court of California, County of Lassen, is a pre-approved absence from the court for one full normal scheduled court business day. The performance by a judge of a judicial duty taking two hours or less on a pre-approved vacation day does not entitle the judge to an additional day of vacation. Other absences from the court listed in California Rules of Court, Rule 10.603(c)(2)(H) are excluded from this definition.

Any vacation days not taken in any year may be carried over one year to the next up to a maximum of thirty (30) days.
