Lassen Superior Court Legal Self Help has been updated to include a new phone number that allows you to send a text or leave a voicemail with a brief summary of the assistance you are needing.

To add yourself to this list, text or call (530) 251-3935 and be sure to include your name and a good callback number. Please be prepared to answer a text or call back from the number above to be provided with the appropriate assistance. Friday callback clinics will continue to be remote.

In cases where more help is needed there are limited availabilities for in-person appointments on Thursdays.

The Self-Help Attorney serves in an educational role and does not represent any party or person in an attorney-client relationship and does not provide specific legal advice.
